

Government of Canada Invests in Quebec Natural Resources Firm

Victoriaville, Quebec February 05, 2013.

The Honourable Denis Lebel, Minister of Transport, Infrastructure and Communities and Minister of the Economic Development Agency of Canada for the Regions of Quebec, announced that the firm Warwick Salt Inc. has been granted financial assistance for the purchase, installation and programming of equipment.

Warwick Salt Inc. was established in 1983, the firm has shown a constant progression over the years, due to the development of solid expertise and excellent partnerships with its various customers. "By helping Warwick Salt acquire leading-edge technology, our Government is once again demonstrating its commitment to investing in projects that ensure economic growth," said Minister Denis Lebel.

"We have developed a wide range of products meant to meet the highest standards of quality in the industry." The company will be granted a \$1.1 million repayable financial contribution from the Government of Canada.
